

Madonie Mountains 2 Days Trail

The trail goes through the wildest and most beautiful parts of the Madonie Mountains. Full of surprises that allows us to discover the most varied territory of Sicily in landscapes and botanical species, from the 300 meters high of "Tenuta Luogo Marchese" until the 1600 meters of altitude of the so called "Piano Battaglia" a famous ski resort in the middle of Madonie Natural Park.

The route is in high mountain areas riding 7 to 8 hours a day, the tour is best recommended for experienced riders.

The Association reserves the right to change the itinerary at any time due to weather issues.

Tour runs from April to December.
