Castelbuono, 4/5 hours

Half-day excursion that takes you through fields and woods, to the historical town of Castelbuono. Here there is the ancient castle of the barons Ventimiglia, who for centuries ruled by absolute lords throughout the Madonie. (visit of the castle optional)

Price: € 60.00/person

Gorge of Tiberius, 6/8 hours

Adventure that takes us to the wild and rugged shores of the river Pollina, in the territory of San Mauro Castelverde, notorious for his stories of bandits that in the past infested the area. Down to the Gorges called in dialect "Miricu", a place highly suggestive. Possibility to

descend into the gorges in canoe (€10,00) or swimming.
Picnic and way back to the agriturismo in the afternoon.

Price: € 100.00/person

Gibilmanna, 6/8 hours

Very comprehensive tour through the spectacular unknown territory around Cefalù where you can see forests, pastures, olive groves, and vineyards. This way brings us to the shrine of the famous and miraculous Madonna of Gibilmanna, more than 800 meters up the sea level on mount Sant'Angelo.
Picnic and way back to the agriturismo in the afternoon.

Price: € 100.00/person

Sant'Ambrogio, 6/8 hours

Wonderful ride from the hills through the woods and fields until the little coastal village of Sant'Ambrogio. During the warmer times of the year is possible to go to the beach with horses and take a swim.
Picnic and way back to the agriturismo in the afternoon.
